A large, detailed periodic table of elements, titled "PERIODIC TABLE OF THE ELEMENTS". It features a grid layout with elements color-coded by groups. The table includes all elements from Hydrogen (H) to Oganesson (Og), with the Lanthanide and Actinide series shown separately at the bottom. The title is prominently displayed at the top center.

Giant-Size Periodic Table
Product #: SB53270

A smaller, classroom-sized periodic table of elements, titled "PERIODIC TABLE OF THE ELEMENTS". It features a grid layout with elements color-coded by groups. The table includes all elements from Hydrogen (H) to Oganesson (Og), with the Lanthanide and Actinide series shown separately at the bottom. The title is prominently displayed at the top center.
